Hand Dye Fabrics A Closer Look

A large number of vendors offer hand dye fabrics. Those available from Little Red Quilt House are hand crafted in small batches by a strict, quality-based process. Look closely at other hand dyed offerings. What you often get are silkscreen printed fabrics based upon hand dye patterns and designs. Not true hand dyes. Discerning quilters and textile artists turn to Little Red Quilt House for the best quality and most consistent hand dyes available.

Custom/Matching Appliqué Threads

We have complete control over color and saturation with our base stock of nearly 120 ProChemical MX Reactive dyes. When ordering yardage, you may also choose the option to order matching thread that we produce at the same time with the dyed materials in an equal dye bath. This assures a 100% match of thread and material for the utmost in finished results. Choose from our wide variety of cotton and cotton wrapped threads by great names like:
